Symbol LS1203

Excellent value for everyday use
The Symbol LS1203 handheld scanner from Motorola delivers high quality laser scanning, user-friendly ergonomics and durability at an affordable price. Designed to meet the needs of small businesses, the Symbol LS1203 provides the performance and features needed to significantly reduce data entry errors and boost productivity day in and day out in gift shops, boutiques, sporting goods, jewelers, video stores, florists and other small local retailers. Easy and comfortable to use, this high-value cost-effective scanner offers the reliability and investment protection that have made Motorola the global leader in handheld bar code scanning.

Increased productivity from the start
For point of sale check-out applications, the Symbol LS1203 provides the power to improve operational efficiencies right out of the box. The plug-and-play design virtually eliminates installation hassles. The intuitive ergonomic design eliminates training requirements — employees are up and running in minutes. Manual keying is eliminated, reducing cashier errors and ensuring that your customers are charged the correct amount. The result is faster checkout, increased customer satisfaction and a quick return on investment. In the back room, the Symbol LS1203 automates paper-based processes, such as inventory management, translating into more accurate information and less time spent on day-to-day administrative tasks — and more time spent serving customers.

Durable construction combined with future-proofing
With a single board construction and durable scan element, the Symbol LS1203 can easily stand up to daily use and those inevitable drops. With everyday operation you can count on, the Symbol LS1203 ensures minimal maintenance costs and maximum uptime. And integrated multiple interfaces provide the investment protection you need to ensure that the scanner you buy today will work with tomorrow’s POS system.

Proven quality you can trust
When you choose the Symbol LS1203, you receive the added assurance of purchasing a product from Motorola — the global leader in handheld bar code scanning with millions of scanners in use every day by the world’s largest retailers worldwide. And since even the most durable products require a maintenance plan and support strategy, Motorola has designed a full complement of service offerings to help you protect your investment and maintain peak performance.
